Michael Lindsay is a Senior Director at NOVUM Consulting Group, an independent consulting firm that provides financial consulting services, financial analysis and valuation assessments for companies relating to technology issues such as patents, trademarks, trade secrets, trade dress, copyrights and other forms of intellectual property. The firm also provides financial analysis and valuation services for corporate disputes, licensing negotiations, litigation and corporate finance purposes. NOVUM was acquired by Aperture LLC on August 1, 2024. Mr. Lindsay is a Director at Aperture.

Financial and Litigation Consulting Experience:

Mr. Lindsay has provided financial and valuation consulting to companies and law firms since 1999. These matters included intellectual property, business valuations, and intangible asset valuations involving the energy, healthcare, technology, and medical device industries. Intellectual property experience includes intellectual property valuation and analysis of damages related to patent, trademark, and trade dress infringement as well as misappropriation of trade secrets. Venues for these matters included Federal courts and various state courts.

Mr. Lindsay has significant involvement with company and law firm personnel in the identification of relevant market, financial and economic information, the development of damage analysis and related case strategy alternatives for use in the development of expert reports for negotiations, arbitrations, and trial proceedings, along with corresponding analyses and conclusions for litigation matters and other financial consulting engagements.

Sample Industry Experience:

- | | |
|---------------------------------|------------------------------------|
| - Automotive | - Telecommunications |
| - Banking / Electronic Payments | - Medical Products |
| - Cellular Standards | - Oil & Gas / Chemicals / Refining |
| - Consumer Electronics | - Consumer Products / Retail |
| - Healthcare | - Semiconductors |
| - Internet / E-Commerce | - Software |
| - Mobile Phones | - Wireless Communications |

Work within these industries has included analysis of sales, costs, profits, license agreements, business plans, industry competition, market conditions, and other information for the purposes of calculating damages and valuations.
